Letter dated 6 July 2015 from the Chargé d'affaires a.i. of the Permanent Mission of Turkey to the United Nations addressed to the President of the Security Council

I am writing with regard to the letters, inter alia, dated 25 May 2015 (S/2015/371), 28 May 2015, 29 May 2015 (S/2015/392), 4 June 2015, 5 June 2015 (S/2015/410), 12 June 2015 (S/2015/429), 16 June 2015 (S/2015/442), 26 June 2015 (S/2015/480) and 29 June 2015 demonstrating the level of illusion of the Syrian regime, which is detached from the realities of the crisis in the country.

Turkey categorically refutes the allegations in these letters in their entirety, as well as the bogus statements by the regime's representative, including the last intervention in the Security Council on 29 June 2015. These futile efforts to divert the attention of the international community from the brutal oppression of the regime not only overburden and abuse the agenda of the Security Council, but also constitute a ridiculous insult to the United Nations, the international community and, last but not least, the Syrian people.

I would be grateful if the present letter could be circulated as a document of the Security Council.
